Weight | 2,65 Kg  
Units per box | 2  
Box Weight | 6,85 Kg\*

**Installation - Mechanical**

**Packing Dimensions** - 640x188x640mm

\* Approximate weight

### Product finishes:

Blanc Cerise Marron Noir

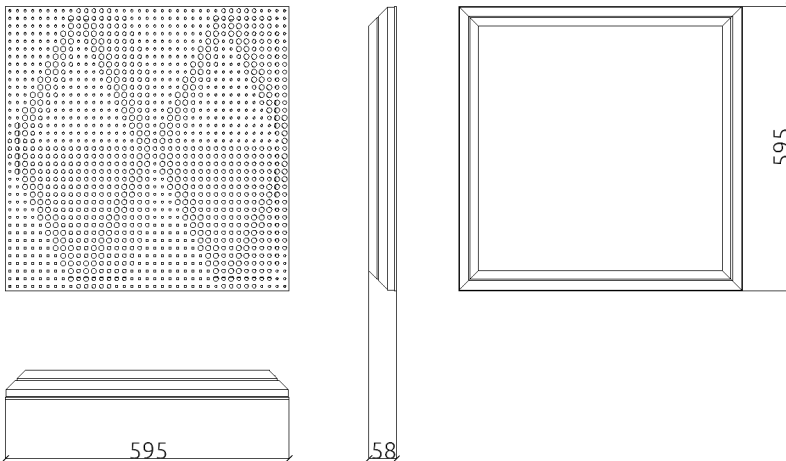

Rouge Wenge

### Description

Low frequencies are a significant problem, particularly in smaller rooms. To address this issue, Artnovion developed the Petra Bass Trap. Able to absorb a range of 75 Hz to 125 Hz, Petra Bass Trap offers an enriched acoustic experience, helping to reduce directly standing sound waves and their reflections. With a wooden finish, Petra Bass Trap is available in different finishes that will allow you to create various artistic patterns and designs upon mounting.
