- MDF Lacquer - FR+ (Improved Fire Rate)

Description

Kalahari is a high performance acoustic absorber, crafted from wood using the same patented Artnovion technology that brought about the Sahara panel.

Kalahari has an elegant tessellated pattern, designed to meld seamlessly across rooms. Kalahari is especially efficient at reflection control, providing valuable scattering along with absorption.

The Kalahari absorber is available in a selection of sizes in lacquered and metallic finishes, available in 2 sizes in 2 orientations.
